

Tucson Lifestyle Home & Garden Presents

GREAT DESIGNS

**ASID DESIGN EXCELLENCE AWARDS,
ARIZONA SOUTH CHAPTER**

The Arizona South Chapter of the American Society of Interior Designers (ASID) recently held its annual competition among its members to encourage and reward design excellence. ASID is the largest group of professional interior designers in the Tucson area.

Each entry (from a project completed within the past two years) included a written design statement, floor plans and professional photographs. Five independent designers from across the country juried this year's competition. Tucson Lifestyle Home & Garden is proud to present the winning entries.
